2007 to present

Northern Colorado AIDS Project

Serve on the Executive Board of Directors for local non-profit serving HIV/AIDS infected adults and providing prevention services for northern Colorado. Also serve on the personnel and development committees to oversee personnel procedures and develop outreach and fundraising activities for the program.

- Consulting Editor** 2006 to present
Ad-hoc Reviewer 2003-2006
AIDS and Behavior
 Serve on Board of Editors for the journal.
- Ad-hoc Reviewer** 2003 to present
Health Psychology
Journal of Experimental Social Psychology
Psychology, Health and Medicine Journal
Journal of Primary Prevention
Social Science & Medicine
Qualitative Health Research
 Invited reviewer and co-reviewer for articles submitted to journals.
- Graduate Curriculum Committee Member & Chair** 2005 to present
Colorado State University
 Serving on committee (as member 2005-present; as chair 2006–2007) to approve changes to graduate curriculum, institute department-wide admissions standards, and other policies/procedures aimed to improve graduate-level education.
- Future Conferences Committee Member** 2006-2008 term
International Association of Relationship Researchers
 Review, provide feedback, and vote on proposals for primary conferences, regional workshops, mini-conferences, and graduate student / new professional workshops to be held during the two-year term.
- IT Committee Member** 2006 to present
Colorado State University
 Serving on committee to approve policies and procedures regarding technology use within the department.
- Grant Reviewer** 2005
Pilot Projects in Health Intervention and Prevention for Graduate Students
Center for Health/ HIV Intervention and Prevention, University of Connecticut
 Member of a review panel for a competitive pilot grant program for graduate students. Mentored by faculty with prior review experience, and served as a primary and secondary reviewer for 3 grants. Evaluations were scored using the NIH scoring system.
- Past-President, Graduate Student Committee** 2004-2005 term
President, Graduate Student Committee 2003-2004 term
Member-at-large, Graduate Student Committee 2002-2003 term
Society for Personality and Social Psychology

Elected to represent graduate students of APA's division 8. Assisted with the development and maintenance of a student web site. Collaborated with another members-at-large to develop a symposium titled "Alternatives to Academia" at the 2003 SPSP conference. Organized a Career Preconference at the 2004 annual meeting. Wrote several articles for the SPSP newsletter, *Dialogue*, and the graduate student newsletter, *The Forum*. Worked with student members-at-large to develop student-led activities, delegated responsibilities for conference organizing and programming, and helped to increase use of the student listserv. Obtained funding from various publishers who co-sponsored the SPSP graduate student poster award. Attended the 2003-2004 SPSP Executive Committee meetings, and was responsible for the student committee budget. Organized and ran the graduate student poster award 2 years in a row.

Statistical Consultant 2003-2004

Provide statistical consulting on a project for Lee M. Pachter, DO, Associate Professor of Pediatrics and Anthropology, and Head of the Division of General Pediatrics at the University of Connecticut School of Medicine. Conducting analyses on a large, national database of mental health indicators among White, African-American, and Hispanic children and parents.

Newsletter and Web Page Editor

Website Administration Committee 2001-2003

Society for the Psychological Study of Social Issues

Edited the web site for student information and links to relevant sites. Evaluated information before posting on web page, and solicited contributions from SPSSI student members. Contributed to committee discussions on SPSSI web additions that best promoted student interests.

Supervisor, Summer Laboratory Apprenticeship Program 2002

Northeast Louis Stokes Alliance for Minority Participation (LSAMP)

National Science Foundation

University of Connecticut

Storrs, CT

Supervised and mentored a high school student on a 6-week research project as a means of encouraging minority representation in the sciences. Assigned research-oriented tasks, organized tours of department laboratories and in-house research presentations, as well as assisted student with designing a power-point presentation of her experience.

Past Research Experience

Synthesis of HIV & AIDS Research Project (SHARP) 2000-2005

Department of Psychology, University of Connecticut Storrs, CT

Collaborated with Blair T. Johnson, Ph.D. on meta-analyses of studies pertaining to HIV intervention research and IV drug use.

Center for Health and HIV Intervention and Prevention (CHIP) 2000-2003

Department of Psychology, University of Connecticut Storrs, CT

Worked with Jeffrey Fisher, Ph.D. on several grant funded projects pertaining to ART adherence and sexual risk reduction interventions.

Department of Psychology

1994-2005

Hunter College, CUNY

New York, NY

Examined gender bias in biomedical HIV/AIDS research with Vita C. Rabinowitz, Ph.D.
