

## CURRICULUM VITAE

LORANN STALLONES

4112 Greenridge Drive  
LaPorte, Colorado 80535  
970-491-6156 (work)  
970-407-0468 (home)

Place of Birth: San Francisco, California

Family: Children, John Byler Nuckols, 11/13/85  
Erin Lorann Nuckols, 11/14/87  
Jesse Marie Nuckols, 2/20/92

### EDUCATION:

B.A., March 1974, University of California, Santa Barbara (Cultural Anthropology)  
M.P.H., September 1975, The University of Texas School of Public Health, Houston, Texas  
(Community Health) (Thesis: An Assessment of Active Participants of a Family Planning  
Clinic, Crockett, Texas)  
Ph.D., June, 1982, The University of Texas School of Public Health, Houston, Texas  
(Epidemiology) (Dissertation: Marital Status and Cardiovascular Risk)

### PROFESSIONAL EXPERIENCE:

9/07-present, Head, Graduate Degree Program in Public Health, Colorado State University, Fort  
Collins, Colorado

8/01-present, Professor, Department of Psychology, College of Natural Sciences, Colorado State  
University, Fort Collins, Colorado

7/04-present, Adjunct Professor, Department of Preventive Medicine and Biometrics, University of  
Colorado Health Sciences Center, Denver, Colorado

7/96-6/04, Professor, Department of Environmental Health, College of Veterinary Medicine and  
Biomedical Sciences, Colorado State University, Fort Collins, Colorado

1/90-7/96, Associate Professor, Department of Environmental Health, College of Veterinary  
Medicine and Biomedical Sciences, Colorado State University, Fort Collins, Colorado

7/95-6/04, Adjunct Associate Professor, Department of Preventive Medicine and Biometrics,  
University of Colorado Health Sciences Center, Denver, Colorado

7/89-12/89, Associate Professor, Department of Preventive Medicine and Environmental Health,

09/2007

University of Kentucky College of Medicine, Lexington, Kentucky

7/84-6/89, Assistant Professor, Department of Preventive Medicine and Environmental Health, University of Kentucky College of Medicine, Lexington, Kentucky

7/82-7/84, Research Fellow in Epidemiology, The Mary Imogene Bassett Hospital, Cooperstown, New York

1/77-7/78, Public Health Analyst, NIH-NHLBI Epidemiology Branch, Bethesda, Maryland

9/76-12/76, Coordinator, Swine Influenza Immunization Program, University of Washington, Seattle, Washington

1/76-5/76, Health Planner-Peace Corps, Koror, Palau, Western Caroline Islands

#### REFEREED PUBLICATIONS:

Stallones L., Vela-Acosta MS., Sample P., Bigelow P., Rosales M. (under review) Perspectives on safety and health from hired farm workers in Colorado and Mexico: A qualitative field study. *Journal of Rural Health*.

Postel M, Jaung M, Chen G, Yu S, Stallones L, Xiang H. (under review). Sleep patterns and farm work-related injury among middle school students in rural China. *American Journal of Public Health*.

#### MEMBERSHIPS/ACTIVITIES:

American Heart Association, Council on Cardiovascular Disease Epidemiology, Member, 1984-1995.

American Public Health Association, Epidemiology Section Council, 1988-1993  
Member, 1975-present, Action Board 1991-1993, Joint Policy Committee 1994-1995.

American College of Epidemiology, Member, 1985-1989; Fellow, 1990-present; Membership Committee, 1997-2005; Nominations Committee, 1998, Board Member 2003-2006, Chair Membership Committee 2003-2005; Secretary 2006-2011; Executive Board 2006-2011; Chair Mentoring Committee 2006-2007.

Society for Epidemiologic Research, Member, 1975-present, Secretary Treasurer 1991-1993.

National Rural Health Association, Member, 1989-1996.

Kentucky Farm and Home Safety Council, Board Member, 1987; Chair of Farm Committee, 1987-1989; Vice-Chair, 1988; Chair, 1989.

Kentucky Farm Bureau Federation Advisory Committee Safety, Rural Health and Crime Prevention, Ex-Officio Advisor, 1985-1989.

Gateway Health Coalition, Injury Control Committee, Advisor, 1986-1989.

Ad Hoc Reviewer *Research in Nursing and Health, International Journal of Obesity, Journal of Rural Health, Journal of Agromedicine, American Journal of Public Health, Epidemiology, Annals of Epidemiology, Preventive Medicine, Anthrozoos, Basic and Applied Psychology.*

Editorial Board *Journal of Agricultural Safety and Health*, 1994-present; *Injury Prevention*, 1994-1999.

Editorial Advisory Board: *Journal of Agromedicine* 1994-2005.

Delta Society Member, 1989-1998.

Panelist, Centers for Disease Control and Prevention, Injury Control and Prevention Grant Reviews, 1989; 1991; 1999.

Ad Hoc Reviewer, National Institutes of Health, National Institute of Occupational Safety and Health, Small Business Innovation Research Grants, April 1990.

Reviewer, Injury Abstracts for Society of Epidemiologic Research Annual Meeting, 1990-1994; Chair of Scientific Session SER, 1989, 1990, 1991, 1992, 1993.

Planning Committee Member, Colorado Epidemiologic Exchange, 1990-1996.

Unintentional Injury Prevention Panelist, National Agenda for Injury Control for the 1990s. Centers for Disease Control, Division of Injury Control, 1990-1991.

Ad Hoc Reviewer, United States-Israel Binational Science Foundation, 1990.

Injury Research Grant Review Committee, Centers for Disease Control, 1991-1995.

National Advisory Council, Childhood Agricultural Injury Prevention Symposium, 1991-1992.  
Task Force on Suicide Prevention, Colorado Department of Health, 1992-1993.  
Injury Prevention Advisory Board Member, Colorado Department of Health, 1993-1994.  
Grant Reviewer, British Columbia Health Research Foundation, 1995, 1996.  
Howard Hughes Medical Institute Panelist, Reviewer of pre-doctoral fellowships, 1996, 1998, 1999,  
Chair of Epidemiology Committee 2000, 2001.  
Steering Committee: National Children's Center for Rural and Agricultural Health and Safety, 1998-  
2002.  
National Association of Injury Control Research Centers, President 1998-1999.  
Farm Safety 4 Just Kids, Board Member 1994-2000.  
Community Rehabilitation Connections, Board Member 1995-2000, Vice President, 2000.  
National Academy of Sciences, Vietnam Education Foundation Fellowship Program, Reviewer of  
fellowship applications, 2003.  
Centers for Disease Control and Prevention, National Institute for Occupational Safety and  
Health, Community Partners Grant Review, 1999; Agricultural Injury Centers Grant Review,  
1999, 2003; Educational Research Center Site Visits, 1999, Educational Research Center Grant  
Application Reviews, 2002; Special Review Panel, 2001, 2002; Study Section Review Panel,  
2003-2007. Chair, Special Emphasis Review Panel for Centers for Excellence to Promote a  
Healthier Workforce, 2006.

#### UNIVERSITY COMMITTEES:

##### University of Kentucky:

Medical Institutional Review Board, Human Subjects, 1987-1990  
Medical Research Review Committee, 1986-1989  
Ad Hoc Review Committee, College of Pharmacy Review, 1989  
Member, Appalachian Center Environment and Technology Conference Planning  
Committee, 1989

##### Colorado State University:

PVM Curriculum Study Committee-Epidemiology Section, 1990.  
Institutional Review Board (Human Subjects Committee), 1990-2001; 2004-2006 Chair 1995-1998  
Faculty Council, 1993-1995.  
Committee on Undergraduate Admissions and Registration, 1994.  
Department of Environmental Health, Academic Programs Committee, 1993-1995. (Chair, 1994-  
1995).  
Department of Environmental Health, Epidemiology Section Head, 1997-1998, 2000-2001.  
Department of Environmental Health, Promotion and Tenure Committee, 1996-1999 (Chair, 1998-  
1999).  
Department of Psychology, Graduate Committee (2003-2005).  
Search Committee, Department of Psychology (2004).  
University Disciplinary Committee, 2000-present.  
College of Veterinary Medicine, Secretary of Faculty, 2000-2003.  
Women's Studies Advisory Board, 2003-2006.

Chair of Steering Committee, CSU MPH Graduate Program Initiative, 2005-present.

TEACHING ACTIVITIES:

University of Kentucky:

Course coordinator, second year medical student preventive medicine course, 1985-1989.

Epidemiology seminar for graduate students, fall semesters, 1986-1989.

Guest lectures in College of Dentistry, College of Allied Health, College of Nursing on infectious disease, epidemiology methods and cancer epidemiology.

Colorado State University:

**Undergraduate courses:**

EH438, Environmental Health-Applied Epidemiology.

EH332, Environmental Health-Principles of Epidemiology.

**Graduate courses:**

EH532, Environmental Health-Epidemiologic Principles and Methods.

EH515, Environmental Health-Women's Health.

PY515, Psychology-Women's Health

EH680, Environmental Health-Field Epidemiology.

PY680, Psychology- Prevention of Occupational Illnesses and Injuries.

PY517/IE517, Psychology/International Studies- Global Perspectives in Health.

FUNDED RESEARCH:

Epidemiology of Amyotrophic Lateral Sclerosis in Kentucky, 1964-1984, \$8,300, 1/1/85-3/31/86, PSP University of Kentucky, Principal Investigator.

Pet Ownership as a Protective Factor Supporting Health of the Elderly, \$48,213, 5/1/85-4/30/86, Delta Society/Pet Food Institute, Co-Investigator with M.B. Marx, Dept. of Family Practice and T.F. Garrity, Dept. of Behavioral Sciences.

Epidemiologic Community Laboratory for Eastern Kentucky, \$2,000, 7/1/86-6/30/87, Interinstitutional Grant from American Cancer Society to the Lucille Parker Markey Cancer Center, Co-investigator with T.C. Tucker.

Fatal and Nonfatal Injuries Among Kentucky Farmers, \$56,700/year, 4/1/87-3/31/89, Centers for Disease Control, Center for Environmental Health, Principal Investigator.

Pet Ownership as a Protective Factor Supporting Health, \$26,000, 5/1/87-4/30/88, Delta Society/Pet Food Institute, Co-Investigator with M.B. Marx and T.F. Garrity.

Analysis of Cancer Mortality in Bell County, Kentucky, 1980-1984, \$2,020, 11/01/87-10/31/88, Biomedical Research Support Grant, Division of Research Facilities and Resources, NIH, Co-Investigator with T.C. Tucker.

Consulting Contract, \$20,000 per year, 2/1/87-12/15/89, Kentucky Labor Cabinet, Co-Investigator with A.L. Frank.

Antioxidant Micronutrient Status of Coal Miners, \$40,000, 9/1/87-2/28/89, Hoffman-LaRoche, Co-Investigator with C. Chow, S. Quandt, and A.L. Frank.

Colorado Fatal Farm Injuries, \$1,400, 1/1/90-6/30/90, Career Enhancement Award, Equal Opportunity Council, Colorado State University, Principal Investigator.

Psychometric Evaluation of Lexington Attachment to Pets Scale (LAPS), \$7,200, 5/1/90-4/30/91, Delta Society/Pet Food Institute, Co-Investigator with T.F. Garrity and T.P. Johnson.

Pet Loss and Mental Health, \$8,000, 6/1/90-5/31/91, College of Veterinary Medicine and Biomedical Sciences, College Research Council, Colorado State University, Principal Investigator.

Injury Surveillance/Epidemiology, \$13,400, 5/1/90-9/30/94, Colorado Department of Health and the Environment, Consultant.

Colorado Farm Family Health and Hazard Surveillance, \$2,158,000 9/28/90-9/27/98, National Institute of Occupational Safety and Health, Centers for Disease Control, Principal Investigator.

Preterm Labor, \$630, 12/90-5/91, Career Enhancement Award, Equal Opportunity Council, Colorado State University, Principal Investigator.

Reproductive, Neurobehavioral and other disorders in communities surrounding the Rocky Mountain Arsenal, \$890,503, 10/1/91-9/30/94, Agency for Toxic Substances, Disease Registry, Co-Investigator.

Pilot study to evaluate the relationship between birth weight and exposure to byproducts of disinfection, \$50,000/year, 10/1/93-9/30/96, Environmental Protection Agency, Co-Investigator.

Colorado Injury Control Research Center, \$350,000/year, 9/1/95-8/31/98, Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Director, Principal Investigator.

Death certificate and cancer registry linkage for farm workers, \$23,000, 6/1/96-5/30/97, National Institutes of Health, National Cancer Institute, Principal Investigator.

Feasibility study of estimating pesticide exposures among migrant/seasonal workers, \$24,000, 5/1/95-4/30/97, National Institutes of Health, National Cancer Institute, Principal Investigator.

Colorado Injury Control Research Center, \$500,000/year, 9/1/98-8/31/01, Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Director, Principal Investigator.

Colorado Injury Control Research Center, \$900,000/year, 10/1/01-7/31/07, Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Director, Principal Investigator.

Adolescent farm work, fatigue, and injuries in Colorado, \$103,629/year, 9/1/02-8/31/04, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Principal Investigator.

Colorado Booster Seat Promotion Program, \$13,000/year, July 1, 2001-September 30, 2003, subcontract with Colorado Department of Public Health and the Environment. Principal Investigator.

Tri-Ethnic Center for Prevention Research, Testing a state-wide method for increasing rural prevention efforts, \$102,000/year, July 15, 2000-November 30, 2004, National Institutes of Health, National Institute of Drug Abuse, Co-investigator.

Community-Based Intervention to Reduce Motor Vehicle-related Injuries. Submitted to CDC/NCIPC. June, 2003-June 2007. Centers for Disease Control and Prevention/National Center for Injury Prevention and Control. \$214,500. Principal Investigator of subcontract.

Improving Injury Information from Migrant Farm workers. in High Plains Agricultural Safety and Health Center. Centers for Disease Control and Prevention. National Institute of Occupational Safety and Health. September 1, 2003-August 30, 2007. \$241,690 (total), Principal Investigator.

Traumatic Brain Injury (TBI) in Colorado Communities-Linking Practitioners to Community Service. *Conference grant*. Centers for Disease Control and Prevention. September 1, 2003-August 30, 2004. \$15,000. Principal Investigator.

Community Readiness: Enhancing State Capacity to Address Child and Adolescent Health through Violence Prevention, \$22,4000, 9/21/06-2/28/07, Colorado Department of Public Health and the Environment, Principal Investigator.

USA-China Agricultural Injury Prevention Training, \$150,000/year, 4/1/07-3/30/11, National Institutes of Health, Fogarty International Center, Principal Investigator.

Education and Training Research Center, \$1,147,000/year, 07/01/07-06/30/10, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health, Co-Director, Occupational Health Psychology Training.

Colorado Injury Control Research Center, \$898,000/year, 8/1/07-7/31/12, Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Director, Principal Investigator.
